CBIS Special Presentation by Dr. Chenjian Li, Peking University
**“Daunting tasks and golden opportunities in Chinese education reform:
A global citizen’s perspective”**

国际视野和世界公民

In order to make PKU a world-class university, we first have to make it a world-open place:

- Rhodes Scholar in China
- Cambridge-PKU Center for China Studies
- Yenching Academy
- Stanford-PKU Center
- Kavli Astrophysics Institute
- Modern Brain Institute
